

Too Hard

Just Right

Too Easy

Goldilocks, is this book just right?

Ask yourself these questions. If your answer is YES, the book is probably:

Too Easy

- Have you read it lots of times before?
- Do you understand the story very well?
- Do you know almost every word?
- Can you read it smoothly?

Just Right

- Is the book new to you?
- Do you understand a lot of the book?
- Are there just a few words a page that you don't know?
- When you read, are some places smooth and some choppy?

Too Hard

- Are there more than 5 words on a page you don't know?
- Are you confused about what is happening in most of this book?
- When you read, does it sound pretty choppy?
- Is everyone else busy and unable to help you?
